HISTORY OF CLASS

CLASS OF 1969

ALMA MATER

RETIREMENTS

Mrs. Elizabeth DeVary

Mrs. Elizabeth DeVary of 4004 Floral Avenue, Norwood, Ohio, has retired after 42 years of teaching service. She has taught math for 26 years in the New Richmond School. Mrs. DeVary was a special guest at the Athletic Banquet, and was cited for her helpful assistance in the athletic events over the years.

As the guest of honor at a faculty-staff reception she was presented an engraved silver tray on behalf of the staff by Harold Rawlings, High school principal. At graduation she, along with other retired teachers, received special recognition from the Board of Education.

Mrs. DeVary's vivid memory of her former students may surprise some people, (even them) as she calls them by their first name when they meet. Three former students; Mrs. Margie Shepherd, Mrs. Pat Leslie and Mr. Charles Oetzel; are presently members of the high school staff.

Mr. Cread C. Calaway

Mr. Cread C. Calaway of Ten Mile Road, as of June 4, 1969, has retired after 35 years of driving the school bus for the New Richmond Schools. During his 35 years Mr. Calaway has driven the senior classes of New Richmond High School on class trips such as, two trips to Florida and two trips to Canada. Mr. Calaway estimates that he has driven approximately 300,000 miles during this period of employment, some of this driving taking place during 18 degrees-below 0^{o} weather. Mr. Calaway says that in the 35 years he has driven four new and four old buses.

Mr. Calaway says he vividly remembers hauling the parents of many of the children whom he now hauls.

As he looks back he says he has many pleasant memories and will always cherish the acquaintances made through out the years with the many students he has known.
